

Better Conversations with CCD

Communication partner training for people with communication changes after ABI and their friends or family

What to expect...

- This group focuses on **making everyday conversations easier** and more enjoyable.
 - Choose someone important to join the group with you
 - Set goals with your communication partner - partner, friend, a carer, a work colleague.
 - 6 group sessions where you practise conversations as a pair and within group conversations
-

6 x weekly group sessions PLUS 2 x 1:1 sessions

Headway London
Timber Wharf, 238-240
Kingsland Rd, E2 8AX
or online

Sessions will be led by speech and language therapist
Claire Farrington-Douglas

Claire is a highly specialist speech and language therapist and has worked with people with acquired brain injury for 25 years. She works with people living with brain injury, their families, friends and carers to ensure that progress made in therapy translates into their daily lives.

Headway London Therapy Service

Expert support for complex needs

Our Therapy Team use their expert knowledge of brain injury to help people achieve their potential and live a meaningful life.

Our interdisciplinary approach brings together our skills across a range of therapies to give each person what they need in the best way for them.
